

**Lesson 10 Jesus Shares Bread**

The boy has loaves and fish for Jesus. Draw them in the basket.  
In the second box draw the twelve baskets of leftovers.  
Then finally, decorate the words below.

They all ate  
and had enough

**At Home**

In this lesson we help the children to appreciate bread as an important food. Jesus shared bread with his friends many times.

**Pray together:**

Bless us, O God, as we sit together.  
Bless the food we eat today.  
Bless the hands that made the food.  
Bless us, O God. Amen.
