

Lesson 13 One Moment

This is a picture of an Advent wreath.

Chat about it when it is used.

The candles are usually purple with a central white candle.

Colour the candles and leaves.

At Home

Pray together:

You are the great light of the world, Jesus.

Your light is for all people.

We want to help you spread the light.

Please help us to be lights for you

with friends, at home at school. Amen.
