## Lesson 4 Time Moves On

We know the seasons when we see the changes in the trees.  
 Colour in the trees and write the name of the season under each.  
 Chat about your favourite time of the year.

**At Home** God calls everyone to change and grow.

**Pray together:**

The seasons come and the seasons go.  
 They each move on for us to grow.  
 So thank you, God, you love us so. Amen.
